Translation

Peace be upon you O Imams of guidance, Peace be upon you O people of piety, Peace be upon you O proofs of Allah on the people of the earth; Peace be upon you who were steadfast in dealing with people with justice. Peace be upon you O people of the chosen one. Peace be upon you the family of the Prophet of Allah, Peace be upon you O people of secret conversations (with Allah), I bear witness that you proclaimed and advised and persevered for the sake of Allah and that you were belied and evil was done to you and you forgave and I bear witness that you are the rightly guided leaders and that obedience to you is incumbent and that your speech is correct and that you invited (to the truth) but were not answered and you commanded but were not followed. I bear witness that you are the pillars of religion and support of the earth, you were always under the (caring) eyes of Allah who was transferring you from the wombs of the pure ones, the era of ignorance did not contaminate you; the sedition of desires has not partaken of you, you have become pure; your origin is pure. Through you He has favoured us (with His religion). He has created you in houses in which Allah has allowed His name to be elevated and remembered. He has made our salutations to you to be mercy for us and expiation of our sins for Allah has chosen you for us and has made our creation pure because He has favoured us with your affection. We are named in front of Him due to your Gnosis and because we acknowledged and believed in you. This is the position of one that has been extravagant and has erred; He has submitted and acknowledged what he has committed and hoped of his sincere position and through you he will be saved from destruction so be my intercessors. I have come to you for the people of the world have turned away from you and have taken the signs of Allah as jest and have become arrogant. O One who is upright and does not over look; O Eternal One who does not disregard and covers all things You have favoured me with Your help and have shown me the path which You established for me; for Your slaves have turned away from it and have become ignorant of its knowledge and have

belittled its rights and have inclined to others; it is Your favour on me with the people that be to You for I am in front of You in this position remembered and subject to (Your) decree so do not deprive me of what I hoped for and, by the sanctity of Muhammad and his pure family, do not disappoint me what I have asked from You, send Your blessings on Muhammad and the family .of Muhammad
